## The ARC Overview:

Arlington Recovery Community (ARC) & Sobering Center is a residential substance abuse disorder program with a specialty focus on consumers with both addiction and mental health difficulties. The Sobering Center has 15 spaces and the ARC has 48 residential (24 male and 24 female beds) with 6 Withdrawal Management beds. Law enforcement may drop off 24/7/365 and Specialty Behavioral Health Teams must call for bed availability. The public should call CARES Line for assistance.
