

**CITY OF PALM DESERT**

Building & Safety Division

73-510 Fred Waring Dr., Palm Desert, CA (760) 776-6420

**RESIDENTIAL SEWER CONNECTION VIRTUAL INSPECTION  
CHECKLIST**

This criteria is intended only for virtual repair or replacement sewer connection inspection. This does not apply to new construction. This checklist must be completed and signed before submitting to the City for inspection (See step-by-step instructions on how to submit pictures).

**\*\*Please provide 5 pictures or less that include the following.\*\***

- 1) One clear picture of the residence. The address must be visible.
- 2) One clear picture of the overall location.
- 3) One clear pictures of sewer lateral branches.
  - a) Include all clean outs and connection to the CVWD sewer
- 4) One clear picture of completed landscaping.
- 5) If abandoning septic.
  - a) One clear picture of the abandon septic uncovered.
  - b) One clear picture of the abandoned septic filled and ready to be backfilled.
  - c) Please provide the pump ticket.
- 6) The City's Smoke/Carbon declaration form is required to be filled out, signed, and submitted. Please do not send pictures of smoke and/or carbon monoxide detectors. (CRC Section R314 and R315)

I understand and affirm that the above information regarding the residential sewer connection is true and accurate. During the review of the provided photographs the inspector may require a video, virtual, or in-person inspection. The inspector will provide specific instruction, if necessary.
